Leo Vankrieken, Pierre Warmoes and Marleen Collee are responsible for the protection of data of HuVeSearch BV. They can be reached at contact@huvesearch.com.

HuVeSearch BV collects and processes your personal data, because you make use of our services and because you have given us your personal data.

The data that are being processed are the following: name, address, telephone number, website, bank account number, and VAT number. These data are being used to call you or the e-mail you.

We use these data to deliver you services or to send you goods.

Our websites and services do not have the intention to collect data of visitors of our website. We only use Google Analytics to monitor traffic. HuVeSearch only uses technical or functional cookies

HuVeSearch BV does not work with automatic data processing.

HuVeSearch BV does not give personal data to other parties unless when that is necessary to carry out any obligation that we have towards our customers.

You have the right to check, correct or remove your personal data. If you want to make use of these rights, then please send a specified request to contact@huvesearch.com. You can also file a complaint at the Belgian national agency through the following link: <https://www.autoriteprotectiondonnees.be/publications/formulaire-pour-introduire-une-plainte.pdf> (in French) or <https://www.gegevensbeschermingsautoriteit.be/publications/klachtenformulier.pdf> (in Dutch).

HuVeSearch BV takes serious measures to protect your data. If you have any indication otherwise than please contact us via contact@huvesearch.com

HuVeSearch BV uses personal data if we are lawfully obliged to do so, for example in data that we send to third parties for tax purposes.

HuVeSearch BV stores your personal data no longer than necessary to carry out our obligations and as long as needed during our cooperation. Thereafter, your data are stored for maximally 12 months.
